PLEASE TAKE NOTICE that the Public Service Commission, pursuant to Commission Directive Order No. 2020-372, has scheduled a Virtual Forum in the above-named Docket to begin on **Wednesday, May 27, 2020, at 10:00 a.m.** before the Commission in the Commission's Hearing Room at 101 Executive Center Drive, Suite 100, Saluda Building, Columbia, South Carolina 29210. The Directive states the following:

Move that utilities file written comments on the issues contained in the ORS Motion of May 8, 2020, regarding measures to be taken to mitigate impacts of COVID-19 on utility customers, and related matters. I would propose that such comments be filed on or before Noon on May 22, 2020. I further move that utilities also file comments on any matters not vacated in Order No. 2020-228 by this Commission's Order with regard to Item 1 of this Agenda, including, but not limited to the waiver of regulations related to late payment charges, the waiver of reconnection fees, and other matters. These comments should also be filed on or before Noon on May 22, 2020. Finally, I move that a virtual forum on these matters be held on May 27, 2020 at a time yet to be determined, so that the Commission may discuss with any utility the comments they filed regarding these matters. Finally, I move that we require utilities to track revenue impacts, incremental costs and savings related to COVID-19, and file the findings with the Commission on a quarterly basis, beginning as soon as possible, but no later than the end of the second quarter of 2020.

Any person who wishes to participate in this matter shall notify the Commission, in writing, and file their written comments no later than **12:00 p.m., Friday, May 22, 2020**. For receipt of future Commission correspondence, please include an email in your correspondence. Please refer to **Docket No. 2020-106-A**.
